Subject: YMA/Netchex information request

Karen -

As we discussed on the phone, I need to request information on another payment processor. The company was most recently known as Your Money Access (YMA) and previously known as Netchex. It may also have operated under the names Newton Platform and Universal Payment Systems. Here is what I am requesting:

- (1) A list of accounts and account types; statements for each account for the entire life of the relationship; analysis statements (fee recap).
- (2) To the extent you have responded to an FTC or other government subpoena in the last twelve months for this entity, I would like to review the materials submitted.

Please submit the requested items as soon as possible. Its OK to submit the account statements in batches, if that works better for you. Electronic copies are preferred to paper. Thanks and kind regards.
